ABOUT THE BELL TOWER COMMUNITY ASSOCIATION

The Bell Tower Community Association started in the summer of 2005, with the aim of providing a 'safer, cleaner, friendlier environment' for all those people living and working in the area.

Our area stretches from Cardiff Road to Caversham Road and includes all streets in between. At the heart of our area are the New Hope Centre and E P Collier School. The school's bell tower is a well-known local landmark, and this tower gives its name to our area and community association.

Bell Tower is non-political and non-religious, and works closely with councillors and council officers as well as the local community police team. We also work with other local associations, across the river in Caversham and through Reading Neighbourhood Network (RNN).

We aim to address areas of concern to us all such as antisocial behaviour, burglary, traffic and planning applications that affect our environment.

Some local businesses are kindly supporting us by giving discounts to Bell Tower members. Details of the discount scheme and participating businesses are at www.bell-tower.org.uk.
